

SKILL STEP© 4

QUOLUX™

EXCLUSIVE ACCXEL PROGRAMME

GRADUATION CELEBRATION

£3,500+ VAT PER DELEGATE

COURSE OVERVIEW

Our exclusive Skill STEP 4 Programme has been designed to help Team Leaders and Site Supervisors further develop their knowledge and understanding of site management.

In this 9 month programme candidates will develop significant construction management knowledge and leadership skills.

Candidates will build upon the management skills gained in Skill STEP 3 and learn how to safely manage a construction site and the teams around them.

WHAT DO I GRADUATE WITH?

A Skill STEP© 4 certificate pack, registration onto the NVQ Level 6 in Construction Site Management and a Red Experienced Technical, Supervisor or Manager CSCS card.

*Learners will require the Health Safety and Environment Test for Managers & Professionals.

WHAT'S INCLUDED?

8 days of face to face teaching, on-site visits, personal development support and coaching.

- NVQ Level 4 in Construction Site Supervision
- Effectively Leading People
- Mental Health Champion
- Managing a Sustainable Site
- Building an Effective Team
- Effectively Leading People
- Understanding Commercial Awareness
- Programme Delivery
- Managing Conflict
- Digital document, equipment, progress and snagging management
- Final L.E.A.P (Learner evaluation and assessment process)
- Registration onto the NVQ Level 6 in Construction Site Management
- Graduation

WHAT OUR LEARNERS SAY

“Very good course with excellent training staff set in excellent facilities for supervisors and managers. I can honestly say this is one of the best courses I have been on.”
