COURSE OVERVIEW

Our exclusive Skill STEP 5 Programme has been designed to develop and support new and current site managers in their leadership and management journey.

The 12 month programme further builds upon the knowledge of site management and their leadership skills developed in Skill STEP 4.

At the end of the programme candidates will gain an **NVQ Level 6 in Construction Site Management** and will have the requisite qualification to gain the Black Management CSCS Card.

WHAT DO I GRADUATE WITH?

A Skill STEP© 5 certificate pack, NVQ Level 6 in Construction Site Management and a Black Manager CSCS card

*Learners will require the **Health Safety and Environment Test for Managers & Professionals**.

WHAT'S INCLUDED?

10 days of in-person teaching, on-site visits, personal development support and coaching.

WHAT OUR LEARNERS SAY

“Fantastic facility built by a family that has lived and breathed construction for many years. It shows from the passion within the training centre making it very good for all ages. If you're just starting out looking to get into construction or even wanting to learn more about your day to day roles in construction, AccXel has thought about it.”
