COURSE OVERVIEW

Our exclusive Skill STEP 1 programme has been developed to support and inspire new entrants to take their first STEP into construction.

After this 1 week programme, candidates will gain the basic knowledge of construction health and safety awareness to access sites as a labourer. On successful completion, candidates will obtain the **Green Labourer CSCS Card**.

WHAT'S INCLUDED?

5 days of in-person teaching, on site visits and personal development support.

- Level 1 Health, Safety & Environment
- Job interview
- Manual handling
- Face fit testing
- Dust Awareness

WHAT DO I ACHIEVE?

A Skill STEP© 1 certificate pack, Level 1 Health & Safety Awareness and the Green CSCS Labourer card.

*Learners will require the **Health Safety and Environment Specialist Operatives Test**.

WHAT OUR LEARNERS SAY

“

I completed this course with DWP and it kick started my career in construction. The day I completed, I started with an employer and have since been back for training to further develop myself in the company. Big respect for this

David O'Neil
